

Greenery.

Why did we create Greenery?

- ✓ FTX Debacle.
- ✓ My *biggest pain point* is tracking currency.
- ✓ No other options on the market serviced tracking currency needs in a streamlined manner.

Current Problems for Avid Traders

- ✓ Managing all cryptocurrency and transactional data in one place
- ✓ Losing assets and access to wallet
- ✓ Sending cryptocurrency to the wrong address

The Solution

**Self-Custodial:**

Conduct Business using
Crypto and Reconcile
transactions utilizing GAAP

**Secure:**

Never lose access to
your funds

**Streamlined:**

Easily Send Crypto to
Human Readable
Addresses
